CHANGES

Alphabetical Directory

While every effort is made to improve each issue of the telephone directory and to eliminate all errors, the Publishing and Graphics Division, M-18, cannot assume responsibility for errors in listings or omissions resulting from submission of incorrect data.

**EACH ADMINISTRATION IS RESPONSIBLE FOR THE ACCURACY,
COMPLETENESS AND TIMELINESS OF ITS OWN DATA.**

After you have had an opportunity to validate your own listing in this directory, submit all changes, additions, and deletions to your Telephone Directory Representative for your administration, (found in the Directory of Services), by completing DOT Form 1700.1 as shown below, so that such listing will be entered correctly in the next issue.

To lessen the possibility of errors, it is always helpful if you report any changes in the present telephone listing as soon as their need becomes known. This will avoid the possibility of waiting too near the closing date, and your not getting the necessary change information in the next directory issue.
